F.No. 36/ABI-CIFA/2022-23

Dated. 07.03.23

To

**Mr. Ashutosh Kumar**  
SA Engineering and Fabrication  
Chandigarh Rd, Ludhiana  
Pumajab-141401

Sir,

Greetings from Team ICAR-CIFA!!!

I am pleased to inform you that we are conducting a National level Feed training programme from 7-9<sup>th</sup> March, 2023. Involving all the relevant stakeholders in the context. This programme attempts to deliberate issues constraints , procedures and strategies in the development of Floating and sinking feed. The third day which will be for market and function of machineries in feed making is planned which is on 9<sup>th</sup> of March, 2023.

In this regards, we request you to participate the event and share your experience and contribute in forging alliance among stakeholders to bring out specific strategies development. The programme details will be given to you a day before or on the same day. For any inquiry related please feel free contact to the ABI staffs. As you are expected to give presentation through webinar session the link to attend the meeting will be given to you a day or before of the event. I would request you to attend and give your perspective in about 5-7 minutes befitting your experience and contribution in feed making development in India.

A line of confirmation would be highly appreciated

Thanking you

Your's Sincerely

  
**Dr. N.K. Barik** 7.3.2023
